REQUEST FOR PROPOSALS**SECTION 1 - INTRODUCTION****1.1 General**

(1) This Request for Proposals (“**RFP**”) is issued by Her Majesty the Queen in right of Ontario, as represented by the Minister of Infrastructure, as represented by the Ontario Infrastructure and Lands Corporation (“**Infrastructure Ontario**”, also known as “**OIPC**” and “**IO**”) in conjunction with the client or clients (referred to collectively as the “**Client**”) named in the RFP Data Sheet. Infrastructure Ontario and the Client are collectively referred to as the “**Sponsors**” for the purposes of this RFP.

(2) In this RFP, Prequalified Parties that submit documents in response to this RFP are referred to as “**Proponents**” and their submissions, as may be revised by RFP Sections 5.3 and 5.5, if applicable, are referred to as “**Proposals**”. The entity that is selected by the Sponsors to enter into the Project Agreement is referred to as the “**Preferred Proponent**”. For the purposes of convenience, in this RFP the expression “**Proponents**” also includes Prequalified Parties prior to the submission of their Proposals.

(3) Except as provided in RFP Section 1.1(3)(a), the procurement process to select a Preferred Proponent shall commence with the issuance of this RFP and shall terminate on Financial Close or on the expiration of the Proposal Validity Period (or extended Proposal Validity Period, if applicable) whichever is first (the “**RFP Process**”). Except as provided in RFP Section 10.3.3, only Proponents that submit a Proposal in accordance with this RFP will acquire any rights under the RFP. Except as provided in RFP Sections 3.8.2 and 3.8.3 and except for the Sponsors’ obligation to pay a Break Fee or a Design and Bid Fee, as applicable, all rights and obligations arising out of the RFP (the bidding contract or “**Contract A**”) terminate either on the cancellation of this RFP Process by the Sponsors, if such cancellation occurs, or,

- (a) for the Preferred Proponent, on Financial Close (providing Commercial Close is reached prior to the expiration of the Proposal Validity Period, or extended Proposal Validity Period if applicable); and
- (b) for the Proponents that are not the Preferred Proponent, on the expiration of the Proposal Validity Period (or extended Proposal Validity Period, if applicable) or Financial Close, whichever occurs first.

(4) Infrastructure Ontario will manage the RFP Process on behalf of the Sponsors and Infrastructure Ontario shall be the single point of contact for Proponents on behalf of the Sponsors. During the RFP Process, Proponents shall contact Infrastructure Ontario only through the Contact Person as set out in RFP Section 3.2.1.

(5) The Project to which this RFP applies has been approved to proceed as an alternative financing and procurement project. Details relating to the Ministry of Infrastructure’s (“**MOI**”) “Building a Better Tomorrow: An Infrastructure Planning, Financing and Procurement Framework for Ontario’s Public Sector” (the “**IPFP Framework**”) are available on the MOI website at www.moi.gov.on.ca. The

IPFP Framework sets out five fundamental principles for the procurement of public infrastructure, including the Project, as follows:

- (a) The public interest is paramount;
- (b) Value for the investment of public money must be demonstrated;
- (c) Appropriate public control and ownership must be maintained;
- (d) Accountability must be maintained; and
- (e) Fair, transparent and efficient processes must be used.

(6) A brief description of the project that is the subject of this RFP (the “Project”) is set out in the RFP Data Sheet. A detailed description of the Project is contained in the documentation in the Data Room.

(7) While the Sponsors will manage the procurement process in respect of the Project, the Preferred Proponent, subject to the requirements and conditions of the RFP Documents, would actually enter into the Project Agreement with the party or parties named as the signing party or parties in the RFP Data Sheet (the “**Signing Parties**”). Unless listed as Signing Parties to the Project Agreement in the RFP Data Sheet, neither Infrastructure Ontario nor the Government of Ontario will be parties to the Project Agreement.

1.2 Prequalified Parties and Proponent Representatives

(1) Subject to RFP Section 3.6, only those parties that were prequalified through the Project’s Request for Qualifications (“**RFQ**”) process that preceded this RFP are eligible to participate in the RFP Process. The prequalified parties are listed in the RFP Data Sheet (“**Prequalified Parties**”). The prequalification documents submitted by each of the Prequalified Parties in the RFQ process that preceded and was with respect to this RFP Process are referred to as a Prequalified Party’s “**Prequalification Submission**”.

(2) All correspondence from the Sponsors to a Proponent will be sent to the person identified, in the Proponent’s Prequalification Submission, to receive information and notices on behalf of the Proponent (the “**Proponent Representative**”). Each Proponent is solely responsible to ensure that all contact information of the Proponent Representative is accurate and updated at all times during the RFP Process. Proponents may update or revise their Proponent Representatives’ information by notifying the Contact Person, in writing.

1.3 Overview of the Stages of Project Procurement and Implementation

(1) The Sponsors will carry out the procurement and implementation of the Project in accordance with the following stages:

- (a) Stage 1 – Prequalification Stage

The prequalification stage (“**Prequalification Stage**”) preceded the RFP Process and identified the Prequalified Parties. The Prequalification Stage is a stand-

alone independent stage and is complete once the Prequalified Parties are identified by the Sponsors (whether identified initially as Prequalified Parties or added subsequently in accordance with the RFQ documents) and have received notification by the Sponsors that they are prequalified for the RFP Process.

(b) Stage 2 – RFP Procurement Process

The RFP procurement process is the competitive procurement process described in detail in this RFP.

(c) Stage 3 – Implementation of the Project Agreement

Once the Signing Parties have executed the Project Agreement, the terms and conditions of the Project Agreement shall determine how the Project is to proceed.

1.4 Fairness Monitor

(1) The Sponsors have retained the Fairness Monitor named in the RFP Data Sheet to monitor the RFP Process.

SECTION 2 - THE RFP DOCUMENTS AND THE DATA ROOM

2.1 RFP Documents

- (1) The RFP Documents (the “**RFP Documents**”) are:

 - (iv) Part 4 – Proposal Format and Evaluation;
 - (e) Schedule 4 – Proposal Submission Form(s);

(2) Subject to RFP Section 2.2(1), the RFP Documents shall be read as a whole. The Schedules and Addenda, if any, constitute an integral part of this RFP and are incorporated by reference. For greater clarity, Background Information documents are not RFP Documents.

2.2 Conflicts or Inconsistencies in Documents

(1) For the purpose of the RFP Process, if there are any conflicts or inconsistencies among the terms and conditions of the documents comprising RFP Documents the following shall apply:

- (a) in respect of matters of interpretation related to the RFP Process and all competitive procurement process matters, this RFP shall prevail over the Schedules to this RFP during the RFP Process;
- (b) in respect of all matters of interpretation of the Project and the Project Agreement during the RFP Process, the Project Agreement shall prevail over this RFP and all other Schedules to this RFP; and
- (c) for the purpose of resolving conflicts or inconsistencies among the documents that constitute the Project Agreement, the provisions of the Project Agreement dealing with conflicts or inconsistencies shall govern.

(2) Despite RFP Section 2.2(1), if the Proponent believes that there is any term or condition in any RFP Document that is ambiguous, or that conflicts or is inconsistent with any other term or condition in the RFP Documents, the Proponent shall notify the Sponsors of that ambiguity, conflict or inconsistency in accordance with RFP Section 3.2.2 and, for greater clarity, by the deadline set out in the RFP Data Sheet for the submission of RFIs.

(3) If there is a conflict or inconsistency between:

- (a) the Sponsors' electronic version of an RFP Document as contained in the Data Room; and
- (b) any other version of the same RFP Document (whether in electronic or hard copy),

the Sponsors' electronic version as contained in the Data Room shall govern.

(4) If there is any conflict or inconsistency between documents, including RFP Documents, contained in the Data Room and documents that are downloaded by the Proponent, the documents contained in the Data Room shall govern.

(5) If there is any conflict or inconsistency between two versions of the same RFP Document contained in the Data Room, the RFP Document of the later date or version number shall prevail over the same RFP Document of an earlier date or version number. Unless otherwise indicated, for the purposes of this RFP Section 2.2(5), the date of each RFP Document shall be determined by the date and time when that document was placed in the Data Room by Infrastructure Ontario.

2.3 Distribution of Documents to Proponents

(1) Except as provided in RFP Section 2.3(2), Infrastructure Ontario will circulate this RFP and all other RFP Documents, including Addenda, by placing them in the Data Room and notifying the Proponent Representatives by e-mail that RFP Documents or Addenda, as applicable, have been added to the Data Room. Notification to Proponents by Infrastructure Ontario that documents have been added to the Data Room is a courtesy only and Proponents are solely responsible to ensure that they reviewed all documents in the Data Room in accordance with RFP Section 2.4(3) and, in particular, have reviewed all documents in the Data Room immediately prior to submitting Proposals.

(2) The Sponsors may circulate some RFP Documents in paper copy. If the Sponsors circulate any RFP Documents in paper copy, Proponents will be notified of a paper copy circulation by way of a notice in the Data Room.

2.4 Data Room

(1) The Sponsors have established an electronic data room (the “**Data Room**”) at a secure website address for:

- (a) the distribution of RFP Documents and Addenda (including “black-lined” RFP Documents revised by Addenda);
- (b) the provision of various types of background information for the Proponents’ review (“**Background Information**”); and
- (c) the receipt of RFIs from Proponents and the posting of responses to RFIs.

(2) The Data Room will be accessible on approximately the date set out in the Timetable. The Sponsors may add, delete or amend documents in the Data Room at any time.

(3) Each Proponent is solely responsible to ensure that it:

- (a) contacts the Contact Person at the coordinates set out in the RFP Data Sheet to arrange access to the Data Room and receipt of a Data Room password;
- (b) has the appropriate software which allows the Proponent to access and download RFP Documents and Background Information from the Data Room; and

- (c) checks the Data Room frequently for the addition, deletion or amendment of RFP Documents, Background Information and the posting of responses to RFIs and, at all times during the RFP Process, keeps itself informed of and takes into account the most current RFP Documents, Background Information and responses to RFIs.

2.5 Proponent Investigations

(1) Each Proponent and each of its Proponent Team Members is solely responsible, at its own cost and expense, to carry out its own independent research and due diligence and to perform any other investigations, including seeking independent advice, considered necessary by the Proponent to satisfy itself as to all existing conditions affecting the Project or the Project Agreement. The Proponents' and Proponent Team Members' obligations set out in this RFP Section 2.5 apply irrespective of any Background Information in the Data Room or information contained in the RFP Documents or in responses to RFIs. The Proponents' and Proponent Team Members' obligation to carry out independent research, investigations, due diligence or to seek independent advice or, if applicable, their ability to rely on information provided by the Sponsors is more particularly set out in the Project Agreement.

(2) Except as explicitly provided in the Project Agreement, the Sponsors do not represent or warrant the accuracy or completeness of any information set out in the RFP Documents or made available to Proponents or Proponent Team Members in the Data Room as Background Information or of any other background or reference information or documents prepared by the Government of Ontario or by third parties and which may be made available to Proponents or Proponent Team Members by or through the Sponsors. Proponents and Proponent Team Members shall make such independent assessments as they consider necessary to verify and confirm the accuracy and completeness of all such information as any use of or reliance by Proponents or Proponent Team Members on any and all such information shall be at the Proponents' and Proponent Team Members' sole risk and without recourse against the Sponsors or the Government of Ontario.

SECTION 3 - THE RFP PROCESS

3.1 RFP Process Timetable

(1) The deadline for the submission of the Technical Submission (the "**Technical Submission Deadline**") and the Financial Submission (the "**Financial Submission Deadline**") and the general timetable for the RFP Process (the "**Timetable**") are set out in the RFP Data Sheet.

- (2) The Sponsors may amend the Timetable in their sole discretion:
- (a) at any time prior to the Financial Submission Deadline for events that are to occur prior to or on the Financial Submission Deadline, including the Technical Submission Deadline and the Financial Submission Deadlines themselves; and
 - (b) at any time in the RFP Process for events that are to occur after the Financial Submission Deadline.

3.2 Questions and RFP Documents Comments

3.2.1 Contact Person

(1) Except as set out in RFP Section 3.4.2, the Proponents shall submit all questions and other communications regarding the RFP Documents, the RFP Process and their Proposals to the contact person or contact persons named in the RFP Data Sheet (the “**Contact Person**” or “**Contact Persons**”, as applicable) electronically at the coordinates listed in the RFP Data Sheet and the questions shall be submitted in accordance with RFP Section 3.2.2 and shall be submitted in the form provided in the Data Room.

3.2.2 Clarification/RFI Submission Process

(1) In addition to the requirement set out in RFP Section 3.2.1, the following rules shall apply to Proponents when submitting questions or requests for information (“**RFIs**”) to the Sponsors during the RFP Process:

- (a) Proponents are permitted to submit RFIs categorized as follows:
 - (i) RFIs that are of general application and that would apply to other Proponents (“**General RFIs**”); and
 - (ii) RFIs that the Proponent considers to be commercially sensitive or confidential to that particular Proponent (“**Commercially Confidential RFIs**”);
- (b) If the Sponsors disagree with the Proponent’s categorization of an RFI as a Commercially Confidential RFI, the Sponsors will give the Proponent an opportunity to either categorize the RFI as a General RFI or to withdraw the RFI;
- (c) If the Sponsors determine, in their sole discretion, that a Commercially Confidential RFI, even if it is withdrawn by a Proponent, is of general application or would provide a significant clarification of the RFP Documents or RFP Process to Proponents, the Sponsors may issue a clarification to Proponents that deals with the same subject matter as the withdrawn Commercially Confidential RFI; and
- (d) If the Sponsors agree with the Proponent’s categorization of a Commercially Confidential RFI, then the Sponsors will provide a response to that RFI to only the Proponent that submitted the RFI.

(2) Responses to RFIs prepared and circulated by the Sponsors are not RFP Documents and do not amend the RFP Documents. If, in the Sponsors’ sole discretion, responses to RFIs require an amendment to the RFP Documents, such amendment will be prepared and circulated by Addendum in accordance with RFP Section 3.7. Only a response to an RFI that has been incorporated into or issued as an Addendum will modify or amend the RFP Documents and, otherwise, RFIs will have no force or effect whatsoever and shall not be relied upon by any Proponent.

(3) Proponents shall submit RFIs in accordance with the deadlines set out in the Timetable.

(4) Proponents shall submit all RFIs to the Contact Person electronically in accordance with the instructions set out in the RFP Data Sheet.

(5) The Sponsors will respond to RFIs in written responses circulated to Proponents in accordance with the schedule set out in the Timetable. The Sponsors may, in their sole discretion, distribute responses to RFIs of a minor or administrative nature to only the Proponent who submitted the minor or administrative RFI.

(6) It is the Proponent's obligation to seek clarification from the Sponsors of any matter it considers to be unclear in accordance with RFP Section 3.2.2 and, for greater clarity, by the deadline set out in the Timetable for the submission of RFIs. Neither the Sponsors nor the Government of Ontario are responsible in any way whatsoever for any misunderstanding by the Proponent or any of its Proponent Team Members of the RFP Documents, Background Information, responses to RFIs, any documents placed in the Data Room or any other type of information provided by or communication made by the Sponsors or the Government of Ontario.

3.2.3 RFP Documents Comments

(1) The Sponsors may, in their sole discretion, request Proponents to submit comments on the RFP Documents and, in particular, comments on the Project Agreement. Whether the Sponsors intend to permit or require the submission of such comments and the schedule and format for the submission of those comments is set out in the RFP Data Sheet. The Sponsors are not obliged to respond to each comment made by Proponents under this RFP Section 3.2.3(1). If the Sponsors accept a comment, or part of a comment, and that acceptance requires a change to the RFP Documents, the Sponsors shall implement that change by Addendum.

(2) The Sponsors may, in their sole discretion, request Proponents to submit comments on particular technical or financial issues arising out of the Project and reflected in the RFP Documents. Whether the Sponsors intend to permit or require the submission of such comments and the schedule and format for the submission of those comments is set out in the RFP Data Sheet. The Sponsors are not obliged to respond to such submissions made by Proponents under this RFP Section 3.2.3(2).

3.3 **Communications Restrictions**

3.3.1 Communications with Municipalities, Other Government Authorities and Utilities

(1) Subject to the restrictions in RFP Section 3.3.2 and any special rules set out in the RFP Data Sheet, Proponents, Proponent Team Members and their respective Advisors are permitted to communicate directly with any municipality, government authority or utility with respect to municipal, utility or other types of governmental requirements related to the Project. Under no circumstances will any special rules set out in the RFP Data Sheet in accordance with this RFP Section 3.3.1(1) override the provisions of RFP Section 3.3.2.

(2) Neither the Sponsors nor the Government of Ontario are, in any way whatsoever, responsible for any representations, statements, assurances, commitments or agreements which Proponents, Proponent Team Members or their respective Advisors receive or believe they may have received from a municipality, a government authority, or a utility. Proponents, Proponent Team Members and their respective Advisors rely on any such representations, assurances, commitments or agreements at their sole risk without recourse against the Sponsors or the Government of Ontario.

3.3.2 Prohibited Contacts and Lobbying Prohibition

(1) Proponents and Proponent Team Members and all of their respective Advisors, employees and representatives are prohibited from engaging in any form of political or other lobbying, of any kind whatsoever, to influence the outcome of the RFP Process.

(2) Without limiting the generality of RFP Section 3.3.2(1), neither Proponents or Proponent Team Members or any of their respective Advisors, employees or representatives shall contact or attempt to contact, either directly or indirectly, at any time during the RFP Process, any of the following persons or organizations on matters related to the RFP Process, the RFP Documents, or the Proposals:

- (a) any member of the Evaluation Committee;
- (b) any Advisor to the Sponsors or the Evaluation Committee;
- (c) any employee or representative of:
 - (i) the Sponsors;
 - (ii) MOI or any other Ministry, agency or entity listed in the RFP Data Sheet; or
 - (iii) the Premier of Ontario's office or the Ontario Cabinet office;
- (d) any Member of the Provincial Parliament (including the Premier) or his or her staff or representatives; or
- (e) any directors, officers or consultants of any entity listed in RFP Sections 3.3.2(2)(a) to 3.3.2(2)(d).

(3) If a Proponent or a Proponent Team Member or any of their respective Advisors, employees or representatives, in the opinion of the Sponsors, contravenes RFP Section 3.3.2(1) or 3.3.2(2), the Sponsors may, in their sole discretion:

- (a) take any action in accordance with RFP Section 7.1.2; or
- (b) impose conditions on the Proponent's or Proponent Team Member's continued participation in the RFP Process that the Sponsors consider, in their sole discretion, to be appropriate.

For clarity, the Sponsors are not obliged to take the actions set out in RFP Section 3.3.2(3)(a) or 3.3.2(3)(b).

3.3.3 Media Releases, Public Disclosures and Public Announcements

(1) A Proponent shall not, and shall ensure that its Advisors, employees, representatives and Proponent Team Members, and their respective Advisors, employees and representatives do not, issue or disseminate any media release, public announcement or public disclosure (whether for publication in the press, on the radio, television, internet or any other medium) that relates to the RFP Process, the RFP Documents or the Project or any matters related thereto, without the prior written consent of the Sponsors.

(2) Neither the Proponents or the Proponent Team Members or any of their respective Advisors, employees or representatives shall make any public comment, respond to questions in a public forum, or carry out any activities to either criticize another Proponent or Proposal or to publicly promote or advertise their own qualifications, interest in or participation in the RFP Process without the Sponsors' prior written consent, which consent may be withheld in the Sponsors' sole discretion. Notwithstanding this RFP Section 3.3.3(2), Proponents, Proponent Team Members and their respective Advisors, employees and representatives are permitted to state publicly that they are participating in the RFP Process.

(3) For the purpose of greater clarity, RFP Section 3.3.3(2) does not prohibit disclosures necessary to permit the Proponent to discuss the Project with prospective subcontractors but such disclosure is permitted only to the extent necessary to solicit those subcontractors' participation in the Project.

3.3.4 Restrictions on Communications between Proponents – No Collusion

(1) A Proponent shall not discuss or communicate, directly or indirectly, with any other Proponent, any information whatsoever regarding the preparation of its own Proposal or the Proposal of the other Proponent in a fashion that would contravene Applicable Law. Proponents shall prepare and submit Proposals independently and without any connection, knowledge, comparison of information or arrangement, direct or indirect, with any other Proponent.

(2) For greater clarity, RFP Section 3.4.1(1) applies to Proponents and Proponent Team Members and their respective Advisors, employees and representatives.

3.4 **Meetings with Proponents**

3.4.1 General Proponents Meeting(s)

(1) The Sponsors may, in their sole discretion, convene general Proponents meetings (each, a "**Proponents Meeting**") on the dates and at the times set out in the Timetable and at the location and for the purposes set out in the RFP Data Sheet. While attendance at a Proponents Meeting is not mandatory, Proponents are strongly encouraged to attend. A Proponent's failure to attend a Proponents Meeting is at the Proponent's sole risk and responsibility.

(2) Proponents may ask questions and seek clarifications at a Proponents Meeting. Notwithstanding that the Sponsors may give oral answers at a Proponents Meeting, those answers shall not be considered final unless issued in writing. Therefore, Proponents are strongly encouraged to submit these questions in accordance with RFP Section 3.2.2 for response in accordance with RFP Section 3.2.2.

(3) No statement, consent, waiver, acceptance, approval or anything else said or done in any Proponents Meeting by the Sponsors or any of their respective Advisors, employees or representatives shall amend or waive any provision of the RFP Documents, or be binding on the Sponsors or be relied upon in any way by Proponents, Proponent Team Members or their Advisors, except when and only to the extent expressly confirmed in an Addendum to the RFP Documents issued in accordance with RFP Section 3.7.

3.4.2 Commercially Confidential Proponent Meetings

(1) The Sponsors may, in their sole discretion, convene commercially confidential meetings with Proponents (“**Commercially Confidential Meetings**”). These Commercially Confidential Meetings may be either or both of the following:

- (a) bilateral meetings between the Sponsors (and their representatives and Advisors) and individual Proponents (and their representatives and Advisors), to discuss the Project Agreement and the Proponent’s suggested amendments to the Project Agreement; and
- (b) bilateral meetings between the Sponsors (and their representatives and Advisors) and individual Proponents (and their representatives and Advisors) to discuss,
 - (i) Project design issues (including Proponents’ proposed designs);
 - (ii) Innovation Submissions being considered by the Proponents for inclusion in their Proposals, as applicable;
 - (iii) the Proponent’s General Contractor Plan;
 - (iv) the Proponents’ comments pursuant to RFP Section 3.2.3(2); or
 - (v) other matters that may arise during the RFP Process.

(2) Whether the Sponsors intend to hold Commercially Confidential Meetings and the location of those meetings is set out in the RFP Data Sheet. The approximate date and time of Commercially Confidential Meetings is set out in the Timetable. While attendance at Commercially Confidential Meetings is not mandatory, Proponents are strongly encouraged to attend. A Proponent’s failure to attend a Commercially Confidential Meeting is at the Proponent’s sole risk and responsibility.

(3) If the Sponsors hold Commercially Confidential Meetings, the Fairness Monitor may be present during some or all of those meetings.

(4) No statement, consent, waiver, acceptance, approval or anything else said or done in any of these Commercially Confidential Meetings by the Sponsors or any of their respective Advisors, employees or representatives shall amend or waive any provision of the RFP Documents, or be binding on the Sponsors or be relied upon in any way by Proponents, Proponent Team Members or their Advisors except when and only to the extent expressly confirmed in an Addendum to the RFP Documents issued in accordance with RFP Section 3.7.

(5) The Proponent, its Proponent Team Members and their respective Advisors and representatives and any of their attendees at Commercially Confidential Meetings acknowledge and agree that:

- (a) any statement made at a Commercially Confidential Meeting by the Sponsors or any of their Advisors or representatives is not and shall not be considered to be an indication of a preference by the Sponsors or the Government of Ontario or a rejection by the Sponsors or the Government of Ontario of anything said or done by the Proponent, Proponent Team Member or any of their respective Advisors or representatives;

- (b) any statement made at a Commercially Confidential Meeting by the Sponsors or any of their Advisors or representatives shall not and will not be relied upon in any way by the Proponent, Proponent Team Member or any of their respective Advisors or representatives for any purpose, including any purpose in connection with the RFP, the Project Agreement, the Project or otherwise, except and only to the extent expressly confirmed by Addendum in accordance with RFP Section 3.7, provided that the Sponsors shall not be under any obligation to confirm any information by Addendum;
- (c) the Sponsors may share process-related information, including clarifying information, with all Proponents if the need arises; and
- (d) the Proponent, its Proponent Team Members and their respective Advisors and representatives:
 - (i) shall participate in the Commercially Confidential Meetings in accordance with the guidelines, procedures and processes set out in the RFP;
 - (ii) waive any and all rights to contest and/or protest the RFP and the processes and guidelines set out herein, including the Commercially Confidential Meetings, based on the fact that such Commercially Confidential Meetings occurred or on the basis that information may have been received during a Commercially Confidential Meeting by another Proponent, another Proponent's Proponent Team Member, or their respective Advisors or representatives that was not received by the Proponent, its own Proponent Team Member(s) or any of their respective Advisors or representatives; and
 - (iii) agree that the Proponent, its Proponent Team Members and their respective Advisors and representatives must treat information received at a Commercially Confidential Meeting as Confidential Information.

3.5 Visiting the Lands, Eglinton Crosstown Tunnels and the Existing Third Party Infrastructure

3.5.1 Scheduled Visits

(1) If, in the RFP Data Sheet, the Sponsors have established scheduled dates and rules for visits to see the Lands (“**Scheduled Visits**”) for all Proponents, Proponent Team Members and their respective representatives and Advisors, the dates and times of the Scheduled Visits will be set out in the Timetable. For clarity, Scheduled Visits are in addition to any Proponent visits scheduled in accordance with RFP Section 3.5.3.

(2) The provisions of RFP Section 3.5.3(2), 3.5.3(3) and 3.5.3(4) will, in each case to the extent applicable, apply to Scheduled Visits.

3.5.2 Ownership of the Lands

(1) The Proponent acknowledges and agrees that, as of the date of the issuance of this RFP, the Client owns or has access to some, but not all, of the Metrolinx Lands that will ultimately be owned by it or to which it will ultimately have access for the Project. The Client's acquisition of and access to all of the Metrolinx Lands will not be completed until after Financial Close. The Sponsors will only be able to provide the Proponents with access to those Lands that have been acquired by the Client or to which the Client has access.

3.5.3 Additional Visits to the Lands, Eglinton Crosstown Tunnels and the Existing Third Party Infrastructure

(1) Except for Scheduled Visits, Proponents are not permitted to access any of the Lands or any part of the Lands, Eglinton Crosstown Tunnels, or Existing Third Party Infrastructure which are not accessible by the general public, except by prior written arrangement with the Contact Person.

(2) A Proponent that wishes to arrange a visit to access the Lands, Eglinton Crosstown Tunnels, or Existing Third Party Infrastructure which are not accessible by the general public, other than a Scheduled Visit (an "**Additional Visit**"), shall submit a request to the Contact Person at least two Business Days prior (or such other time as is set out in the RFP Data Sheet) to the Proponent's proposed date and time for an Additional Visit. The request shall set out the:

- (a) proposed date and time, and alternate date and time, of the proposed Additional Visit;
- (b) purpose of the Additional Visit;
- (c) areas of the Lands which are not accessible by the general public for which access is requested; and
- (d) names, titles and contact information of the Proponent's representatives who will be attending the Additional Visit.

(3) If the Proponent has received approval for and written confirmation of an Additional Visit, from the Contact Person, unless otherwise set out in the Contact Person's confirmation the following shall apply to the Additional Visit:

- (a) all Proponent and Proponent Team Member representatives shall strictly obey all instructions from the Sponsors' representatives during the visit and shall comply with all site-specific security, safety or other types of requirements;
- (b) all Proponent and Proponent Team Member representatives shall, at all times, make reasonable efforts to avoid disturbing or infringing upon the privacy of any persons occupying, residing or working in close proximity to any part of the Lands which are not accessible by the general public, as applicable;
- (c) the Proponent and Proponent Team Member representatives shall visit only those specific areas of the Lands which are not accessible by the general public, as applicable, to which the Proponent has been granted access in the Contact Person's confirmation;

- (d) the Proponent and Proponent Team Member representatives shall not take photographs without the prior written consent of the Contact Person. If photographs are permitted by the Contact Person, they may be taken by the Proponent and Proponent Team Member representatives only in the specific areas of the Lands which are not accessible by the general public, for which consent to photograph has been given; and
- (e) the Proponent shall comply with any supplementary rules set out in the RFP Data Sheet for Additional Visits.

(4) Each Proponent acknowledges that because the Lands which are not accessible by the general public, or portions thereof, may be in use, unforeseen circumstances can arise and the Sponsors may, in their sole discretion, cancel or reschedule any Additional Visit, change the areas of access of any Additional Visit or otherwise change any Additional Visit on short notice or no notice to the Proponent and Proponent Team Members or their representatives.

3.5.4 Additional Geotechnical, Environmental and Subsurface Utility Investigations

(1) If the Sponsors have decided to commission and provide to the Proponents further reports or results of geotechnical, environmental and subsurface utility investigations in respect of the Lands, details of this are set out in the RFP Data Sheet.

(2) If Proponents are permitted to request changes or additions to the investigations described pursuant to RFP Section 3.5.4(1), the process for submitting such requests for changes or additions is set out in the RFP Data Sheet.

3.6 **Changes to Proponents and Proponent Team Members**

(1) A Proponent shall not change its shareholders (unless the Proponent is a company whose equity securities are listed on a recognized stock exchange), Proponent Team Members, proposed subcontractors, Key Personnel, or other parties identified in the Proponent's Prequalification Submission (the "**Identified Proponent Parties**") without the prior written consent of the Sponsors.

If, at any time prior to Commercial Close, and notwithstanding any other provision in this RFP, there is a Change in Control of a Proponent or of one of its Proponent Team Members (the "**Acquiree**") by one of the other Proponents or one of the other Proponents' Proponent Team Members (the "**Acquirer**"):

- (i) The Acquiree shall be immediately disqualified from further participation in this RFP Process. In the event that a Proponent Team Member is the Acquiree, the affected Proponent may request a change of the Acquiree and the Sponsors shall consider such request, in their sole discretion, in accordance with this RFP Section 3.6. In the event that such request to change the Proponent Team Member is rejected by the Sponsors, the Sponsors shall disqualify the Proponent from continuing in the RFP Process; and
- (ii) The Sponsors, in their sole discretion, may allow the Acquirer to continue in the RFP Process; however, the Sponsors' consent to continue

may be subject to such terms and conditions as the Sponsors may require.

(2) Despite RFP Section 3.6(1), Proponents are permitted to request a change in their Identified Proponent Parties in accordance with this RFP Section 3.6.

(3) If, prior to the Financial Submission Deadline, a Proponent wishes to request a change in its Identified Proponent Parties, the Proponent shall notify the Contact Person as soon as possible and, in any event, no later than seven (7) days prior to the Financial Submission Deadline. That notification shall clearly identify the proposed change in the Identified Proponent Party including a proposed substitute and including sufficient documentation to demonstrate that the proposed substitute would have met or exceeded any applicable criteria applied during the Prequalification Stage.

(4) In response to a request in accordance with RFP Section 3.6(3), the Sponsors may, in their sole discretion, provide the Proponent with instructions as to the type of information required by the Sponsors to consider the proposed change to the Identified Proponent Party (or Parties) as well as the deadlines for submission of information that the Proponent must meet in order to have its request considered by the Sponsors.

(5) The Proponent shall provide any further documentation as may be reasonably requested by the Sponsors to assess any proposed substitute. If the Sponsors, in their sole discretion, consider the proposed substitute to be acceptable the Sponsors may consent to the substitution. The Sponsors' consent to such substitution, however, may be subject to such terms and conditions as the Sponsors may require. If the proposed substitute is not acceptable to the Sponsors, the Proponent shall propose an alternate substitute for review by the Sponsors in the same manner as the first proposed substitute. The Sponsors may, in their sole discretion, disallow any actual or proposed change.

(6) In the case of an actual change in the Identified Proponent Parties previously made by the Proponent without consent by the Sponsors or a change proposed after the Financial Submission Deadline, the Sponsors may, in their sole discretion, disqualify the Proponent and terminate the Proponent's continued involvement in the RFP Process or allow the Proponent to continue under such terms and conditions as the Sponsors, in their sole discretion, may require.

(7) If, on or after the Financial Submission Deadline and prior to Commercial Close, there is an actual or proposed addition, deletion, substitution or other change in the membership or effective control of an Identified Proponent Party or if there is a change in circumstances that may materially adversely affect an Identified Proponent Party in a way which could impair the Proponent's or the Identified Proponent Party's ability to perform their respective obligations under the Project Agreement, then the Proponent shall promptly notify the Sponsors in writing by delivery or facsimile to the Contact Person. The Sponsors may, in their sole discretion, refuse to accept a change in an Identified Proponent Party that occurs or is requested by the Proponent after the Financial Submission Deadline and may, in their sole discretion, disqualify the Proponent from continuing in the RFP Process.

3.7 Addenda/Changes to the RFP Documents

(1) The Sponsors may, in their sole discretion, amend or supplement the RFP Documents prior to the Technical Submission Deadline (for matters relating to the Technical Submission) and prior to the Financial Submission Deadline (for all other matters). The Sponsors shall issue changes to the RFP Documents by Addenda only. No other statement, whether oral or written, made by the Sponsors or the

Sponsors' Advisors, employees or representatives, including, for clarity, the Contact Person, or any other person, shall amend the RFP Documents. The approximate final date that the Sponsors will issue an Addendum in respect of the Project Agreement is set out in the Timetable. The Sponsors may issue other Addenda at any time.

(2) The Proponent is solely responsible to ensure that it has received all Addenda issued by the Sponsors. Proponents may, in writing, seek confirmation of the number of Addenda issued under this RFP from the Contact Person.

(3) The Sponsors shall issue Addenda by placing them in the Data Room and notifying the Proponents' Representatives by e-mail that an Addendum has been placed in the Data Room.

(4) Any reference to any one or all of the RFP Documents in the RFP Documents includes any amendments to the RFP Documents made in accordance with this RFP Section 3.7.

3.8 Freedom of Information, Confidentiality and Copyright Matters

3.8.1 Freedom of Information and Protection of Privacy Act

(1) Proponents are advised that the Sponsors may be required to disclose the RFP Documents and a part or parts of any Proposal pursuant to the *Freedom of Information and Protection of Privacy Act* (Ontario) ("**FIPPA**").

(2) Proponents are also advised that FIPPA does provide protection for confidential and proprietary business information. Proponents are strongly advised to consult their own legal Advisors as to the appropriate way in which confidential or proprietary business information should be marked as such in their Proposals.

(3) Subject to the provisions of FIPPA, the Sponsors will use reasonable commercial efforts to safeguard the confidentiality of any information identified by the Proponent as confidential but shall not be liable in any way whatsoever to any Proponent or Proponent Team Member if such information is disclosed based on an order or decision of the Information and Privacy Commissioner or otherwise as required under Applicable Law.

3.8.2 Confidentiality Agreements

(1) No later than five (5) days after a request by the Sponsors, the Proponent shall cause each of its employees, representatives and Advisors and its Proponent Team Members and each of their employees, representatives and Advisors who are in receipt of Confidential Information, to execute and deliver to the Sponsors a confidentiality agreement in a form prescribed by and with terms and conditions acceptable to the Sponsors, in their sole discretion.

3.8.3 Confidential Information

(1) For the purpose of this RFP Process, "**Confidential Information**" means all material, data, information or any item in any form, whether oral or written, including in electronic or hard-copy format, supplied by, obtained from or otherwise provided by the Sponsors or the Government of Ontario in connection with the RFP Process, the RFP Documents or the Project, whether supplied, obtained from or provided before or after the RFP Process.

- (2) The Proponent agrees that all Confidential Information:
- (a) shall remain the sole property of the Government of Ontario or the Sponsors, as applicable, and the Proponent shall treat it as confidential;
 - (b) shall not be used by the Proponent for any purpose other than developing and submitting a Proposal in response to this RFP Process or the performance of any subsequent agreement relating to the Project with the Signing Parties;
 - (c) shall not be disclosed by the Proponent to any person who is not involved in the Proponent's preparation of its Proposal or the performance of any subsequent agreement relating to the Project with the Signing Parties, without prior written consent of the Sponsors or the Government of Ontario, as applicable;
 - (d) shall not be used in any way detrimental to the Sponsors or the Government of Ontario; and
 - (e) if requested by the Sponsors, all Confidential Information shall be returned by the Proponents to the Sponsors no later than ten (10) days after that request.

(3) Each Proponent shall be responsible for any breach of the provisions of this RFP Section 3.8.3 by any person to whom it discloses the Confidential Information including, for greater clarity, the Proponent's employees, representatives and Advisors and the Proponent Team Members and their employees, representatives and Advisors. Each Proponent shall indemnify each of the Sponsors, the Government of Ontario and each of their related entities and each of their respective directors, officers, consultants, employees, agents and representatives and save each of them fully harmless from and against any and all loss, cost, damage, expense, fine, suit, claim, penalty, demand, action, obligation and liability of any kind or nature (including, without limitation, professional fees on a full indemnity basis) suffered or incurred by any of them arising as a result of or in connection with any breach of any of the provisions of this RFP Section 3.8.3 by the Proponent or by any person to whom the Proponent has disclosed the Confidential Information. Each Proponent agrees that the Sponsors act as trustee for each of their related entities and the Government of Ontario and each of their respective directors, officers, consultants, employees, agents and representatives with respect to all rights contemplated hereunder arising in favour of a related entity or the Government of Ontario or any of their respective directors, officers, consultants, employees, agents or representatives and that the Sponsors have agreed to accept such trust and hold and enforce such rights on behalf of each related entity or the Government of Ontario and each of their respective directors, officers, consultants, employees, agents and representatives.

(4) Each Proponent acknowledges and agrees that a breach of the provisions of this RFP Section 3.8.3 would cause the Sponsors, the Government of Ontario and their related entities to suffer loss that could not be adequately compensated by damages, and that the Sponsors, the Government of Ontario and any of their related entities may, in addition to any other remedy or relief, enforce any of the provisions of this RFP Section 3.8.3 upon application to a court of competent jurisdiction without proof of actual damage to the Sponsors, the Government of Ontario or any of their related entities.

(5) Notwithstanding anything else to the contrary in this RFP, the provisions of this RFP Section 3.8.3 shall survive any cancellation of this RFP Process and the conclusion of the RFP Process and, for greater clarity, shall be legally binding on all Prequalified Parties, whether or not they submit a Proposal.

(6) The confidentiality obligations of the Proponent shall not apply to any information which falls within the following exceptions:

- (a) information that is lawfully in the public domain at the time of first disclosure to the Proponent, or which, after disclosure to the Proponent, becomes part of the public domain other than by a breach of the Proponent's confidentiality obligations or by any act or fault of the Proponent;
- (b) information which was in the Proponent's possession prior to its disclosure to the Proponent by the Sponsors, and provided that it was not acquired by the Proponent under an obligation of confidence; or
- (c) information which was lawfully obtained by the Proponent from a third party without restriction of disclosure, provided such third party was at the time of disclosure under no obligation of secrecy with respect to such information.

3.8.4 Copyright and Use of Information in Proposals

(1) The Sponsors' rights, as set out in this RFP Section 3.8.4, to the Proposal and all Proposal Information submitted by the Proponent during the RFP Process shall be granted to the Sponsors as follows:

- (a) if a Design and Bid Fee is offered in accordance with RFP Section 10.3.2:
 - (i) for unsuccessful Proponents, upon payment of the Design and Bid Fee; and
 - (ii) for the Preferred Proponent, upon Commercial Close;
- (b) if the Project is cancelled and a Break Fee is offered in accordance with RFP Section 10.3.3, upon payment of the Break Fee; or
- (c) if RFP Sections 3.8.4(1)(a) and 3.8.4(1)(b) do not apply, upon submission of the Proposal.

(2) Proponents shall not use or incorporate into their Proposals any concepts, products or processes which are subject to copyright, patents, trademarks or other intellectual property rights of third parties unless Proponents have, or will procure through licensing without cost to the Sponsors, the right to use and employ such concepts, products and processes in and for the Project.

(3) All requirements, designs, documents, plans and information supplied by the Sponsors to the Proponents in connection with this RFP are and shall remain the property of the Sponsors. Upon request of the Sponsors, all such designs, documents, plans and information (and any copies thereof in any format or medium created by or on behalf of the Proponent) must be returned to the Sponsors.

(4) The Proponent shall grant to the Sponsors and Her Majesty the Queen in Right of Ontario a non-exclusive, perpetual, irrevocable, world-wide, fully paid and royalty free license (fully assignable without the consent of the Proponent and with the right to sub-license without the consent of the Proponent) to use the Proposal Information (the "**Proposal Information Licence**"). Without limiting the

foregoing, the Proposal Information Licence shall include the right to modify the Proposal Information, and, where applicable, to use it, or any modified form of it, anywhere in the world. Under no circumstances shall the Proponent, except Project Co (as defined in the Project Agreement) in relation to this Project, be liable to the Sponsors, Her Majesty the Queen in Right of Ontario or to any other person or entity for any damages, losses, costs, expenses, claims or actions whatsoever arising directly or indirectly from the use of the Proposal Information pursuant to the Proposal Information Licence.

- (5) For the purpose of this RFP Section 3.8.4, “**Proposal Information**” includes:
- (a) all information contained in a Proposal or which is disclosed by or through a Proponent to the Sponsors during the evaluation of Proposals or during the process of executing any Project Agreement; and
 - (b) any and all ideas, concepts, products, alternatives, processes, recommendations and suggestions developed by or through a Proponent and revealed to or discovered by the Sponsors, including any and all those which may be connected in any way to the preparation, submission, review or negotiation of any Proposal or the Project Agreement.

(6) Proponents shall ensure that all intellectual property rights associated with any and all of the Proposal Information (including copyright and moral rights but excluding patent rights) provide for and give Infrastructure Ontario, the Client and Her Majesty the Queen in Right of Ontario the rights set out in this RFP Section 3.8.4. It is expressly understood and agreed that any actual or purported restriction in the future on the ability of Infrastructure Ontario, the Client or Her Majesty the Queen in Right of Ontario to use any of the Proposal Information, or anything else obtained by or through Proponents, shall be absolutely null and void and unenforceable as against Infrastructure Ontario, the Client, Her Majesty the Queen in Right of Ontario and each of their respective Advisors, and that the provisions of this RFP Section 3.8.4 shall take precedence and govern.

3.9 Conflict of Interest and Ineligible Persons

3.9.1 Conflict of Interest

(1) Proponents and Proponent Team Members and each of their Advisors shall disclose, in their Proposal Submission Form and the Proponent Team Member Declaration (in respect of Proponent Team Members), all perceived, potential and actual Conflicts of Interest. Proponents are advised to review the “Metrolinx Consultant Conflict of Interest and Unfair Advantage Guidance Document” posted in the Data Room and ensure that all Proponent Advisors, as applicable, have complied with these guidelines requirements of the Metrolinx Conflict of Interest Guidelines and with any instructions from the Sponsors arising from the application of these guidelines. For clarity, Proponents have an ongoing obligation to comply with this RFP Section 3.9.1 in addition to complying with the Metrolinx Consultant Conflict of Interest and Unfair Advantage Guidance Document. The Proponent, Proponent Team Members and their respective advisors shall,

- (a) no later than the date set out in the Timetable, disclose all information in respect of the Project which the Proponent, Proponent Team Members, or their respective advisors have generated or have available to them as a result of work carried out by the Proponent, Proponent Team Members or their respective

advisors, for the Sponsors, City or TTC in respect of, or in anticipation of, the Project;

- (b) provide a briefing to other Proponents in respect of the information provided pursuant to RFP Section 3.9.1(1)(a); and
- (c) at the request of the Sponsors, provide a director's or officer's certificate confirming that the requirements of RFP Section 3.9.1(1)(a) and 3.9.1(1)(b) have been complied with by the Proponent and, as applicable, the Proponent Team Members.

For clarity, the Sponsors may, in their sole discretion, circulate the information provided pursuant to RFP Section 3.9.1(1)(a) to other Proponents, Proponent Team Members, and their respective advisors. If any Proponent or Proponent Team Member becomes aware of relevant information of the type set out in RFP Section 3.9.1(1)(a) that has not been made available to all Proponents, that Proponent shall disclose such information promptly to the Contact Person.

(2) If a Proponent, a Proponent Team Member or any of their respective Advisors, prior to or following submission of its Proposal, discovers any perceived, potential or actual Conflict of Interest, the Proponent shall promptly disclose the perceived, potential or actual Conflict of Interest to the Sponsors in a written statement to the Contact Person.

(3) At the request of the Sponsors, the Proponent shall provide the Sponsors with the Proponent's proposed means to mitigate and minimize to the greatest extent practicable any perceived, potential or actual Conflict of Interest. The Proponent shall submit any additional information to the Sponsors that the Sponsors consider necessary to properly assess the perceived, potential or actual Conflict of Interest.

(4) The Sponsors may, in their sole discretion, exclude any Proponent Team Member or Proponent Advisor on the grounds of Conflict of Interest.

(5) Without limiting the generality of RFP Sections 3.9.1(4) or 3.9.1(6), the Sponsors may, in their sole discretion, require the Proponent, Proponent Team Member or a Proponent's Advisor to substitute a new person or entity for the person or entity giving rise to the Conflict of Interest.

(6) The Sponsors may, in their sole discretion, waive any and all perceived, potential or actual Conflicts of Interest of Proponents or Proponent Team Members, or any of their respective Advisors. A waiver may be upon such terms and conditions as the Sponsors, in their sole discretion, require to satisfy themselves that the Conflict of Interest has been appropriately managed, mitigated and minimized, including requiring the Proponent to put into place such policies, procedures, measures and other safeguards as may be required by and be acceptable to the Sponsors, in their sole discretion, to manage, mitigate and minimize the impact of such Conflict of Interest.

(7) For the purposes of this RFP Process "**Conflict of Interest**" includes any situation or circumstance where, in relation to the Project, a Proponent or any Proponent Team Member or Proponent Advisor:

- (a) has other commitments, relationships or financial interests that:

- (i) could or could be seen to exercise an improper influence over the objective, unbiased and impartial exercise of independent judgment by any personnel of the Sponsors or their Advisors; or
 - (ii) could or could be seen to compromise, impair or be incompatible with the effective performance of a Proponent's obligations under the Project Agreement if that Proponent was determined to be the Preferred Proponent under the RFP Process; or
- (b) has contractual or other obligations to Infrastructure Ontario or the Client that could or could be seen to have been compromised or otherwise impaired as a result of its participation in the RFP Process or the Project.

3.9.2 Ineligible Persons

(1) As a result of their involvement in the Project, the persons named in the RFP Data Sheet as "**Ineligible Persons**", their employees, and any of their subcontractors, advisors, consultants or representatives engaged in respect of this Project and, subject to RFP Sections 3.9.2(3) and 3.9.2(4) any person controlled by, that controls or that is under common control with the Ineligible Persons (each an "**Ineligible Person's Affiliate**") are not eligible to participate as a Proponent Team Member, Advisor to the Proponent, Financial Services Provider or Advisor to a Financial Services Provider.

(2) The Sponsors may amend the Ineligible Persons list in the RFP Data Sheet from time to time during the RFP Process.

(3) An Ineligible Person's Affiliate may be eligible to participate as a Proponent Team Member, Advisor to the Proponent, Financial Services Provider or Advisor to a Financial Services Provider only after it has obtained a written consent from the Sponsors permitting it to participate as a Proponent Team Member, Advisor to the Proponent, Financial Services Provider or Advisor to a Financial Services Provider. To obtain consent for an Ineligible Person's Affiliate to participate as a Proponent Team Member, Advisor to the Proponent, Financial Services Provider or Advisor to a Financial Services Provider, the Proponent must submit a request for consent to the Contact Person that includes the following information:

- (a) the full legal name of the Ineligible Person's Affiliate that the Proponent wishes to include on its team or as a Proponent Team Member, Advisor to the Proponent, Financial Services Provider or Advisor to a Financial Services Provider;
- (b) information regarding the Ineligible Person's Affiliate's relationship to the Ineligible Person listed in the RFP Data Sheet; and
- (c) a description of the policies and procedures that will be put in place to manage, mitigate or minimize the impact of any potential Conflict of Interest.

(4) Upon the Contact Person's receipt of a Proponent's properly completed request for consent in accordance with RFP Section 3.9.2(3), the Sponsors shall, in their sole discretion, make a determination as to whether they consider there to be a real, perceived or potential Conflict of Interest and whether the impact of such real perceived or potential Conflict of Interest can be appropriately managed,

mitigated or minimized. The Proponent shall be notified of the Sponsors' decision by means of a consent letter setting out the nature of the consent and the management, mitigation or minimization measures required as a condition of consent. If the Ineligible Person's Affiliate is considered to have a Conflict of Interest, the impact of which cannot be properly managed, mitigated or minimized, the Sponsors shall add the Ineligible Person's Affiliate to the Ineligible Persons list by Addendum.

3.9.3 Special Rules for Vehicle Maintenance Proponent Team Members/Proponent Subcontractors

(1) In response to the unique nature of the Project, special rules regarding Utility Subcontractors, the Vehicle Maintenance Provider, and the Eglinton Crosstown Tunnels contractors are set out in the RFP Data Sheet.

3.10 **Proponent Costs**

(1) The Proponent and the Proponent Team Members shall bear all costs and expenses incurred by them relating to any aspect of their participation in this RFP Process, including all costs and expenses related to the Proponent's involvement in:

- (a) the preparation, presentation and submission of its Proposal;
- (b) attendance at any Proponents Meeting, Commercially Confidential Meeting or any other meeting with the Sponsors;
- (c) due diligence and information gathering processes;
- (d) Scheduled Visits or Additional Visits;
- (e) preparation of responses to questions or requests for information from the Sponsors;
- (f) preparation of the Proponent's own RFIs during the clarification process; and

(2) Except as explicitly provided in RFP Sections 10.3.2, 10.3.3 and 10.4(3), if applicable, the Sponsors are not liable to pay any costs or expenses of any Proponent or to reimburse or compensate a Proponent under any circumstances, regardless of the outcome of the RFP Process.

3.11 **Insurance and Workers Compensation**

3.11.1 Insurance Required during the RFP Process

(1) During the RFP Process, the Proponent is required to obtain, and to cause all Proponent Team Members and other persons listed in this RFP Section 3.11.1(1) to obtain, and at all times keep and maintain in force the insurance as set out in RFP Sections 3.11.1(1)(a) and 3.11.1(1)(b), whenever the Proponent, a Proponent Team Member, or any of their respective directors, officers, employees, consultants, Advisors, agents or representatives are present at the Metrolinx Lands, or any part thereof, Eglinton Crosstown Tunnels or Existing Third Party Infrastructure, or at any facilities or premises of the Sponsors for any purpose whatsoever:

(2) As a condition of allowing access to the Lands, Eglinton Crosstown Tunnels, Existing Third Party Infrastructure or to the facilities or premises of the Sponsors, the Sponsors may, in their sole discretion, require Proponents to provide evidence acceptable to the Sponsors that the insurance required by RFP Sections 3.11.1(1)(a) and 3.11.1(1)(b) is in place.

(3) If a Proponent proposes to perform any investigations at the Lands or the Eglinton Crosstown Tunnels or the Existing Infrastructure, the risk related to which may not be fully insured under the policies set out in RFP Section 3.11.1(1)(a) and 3.11.1(1)(b), the Sponsors may, in their sole discretion, require the Proponent, at its own cost and expense, to obtain insurance additional to that specified in RFP Sections 3.11.1(1)(a) and 3.11.1(1)(b).

(4) All insurance policies required to be obtained by Proponents shall provide that the insurance shall not be cancelled, reduced, restricted, modified or changed in any way without the insurer giving at least thirty days prior written notice to the Sponsors.

3.11.2 Workplace Safety during the RFP Process

The Sponsors shall confirm whether or not they accept the formula submitted by the Proponent no later than 5 Business Days prior to the Financial Submission Deadline. Any formula that is accepted by the Sponsors may be used by the Proponent and the Proponent's Lenders to explain (A) why the movement, if any, in the Indicative Credit Spread Benchmarks is or is not sufficient to require a change to the Credit Spreads, and (B) how the change, or lack thereof, to the Credit Spreads is consistent with the movement, if any, of the Indicative Credit Spread Benchmarks. Where the formula is not accepted, the provisions of this RFP

Section 5.5 shall apply as if any such formula had not been provided to the Sponsors by the Proponent.

(2) Each Proponent that has provided notification pursuant to RFP Section 5.5(1)(b)(i) shall, prior to identification of the Preferred Proponent under RFP Section 8.1 and before 12:00:00 p.m. on the first Credit Spread lock-in date established by the Sponsors in accordance with this RFP (the “**First Credit Spread Lock-in Date**”) confirm or change, in respect of the Credit Spread Election Facilities, the Credit Spreads set out in the Proponent’s Financial Submission, in accordance with the following process:

- For greater clarity, no changes shall be made to the Financial Model other than to change the Credit Spreads and any resulting changes from the re-optimization of the Financial Model to reflect the revised Credit Spreads;
- (B) an amended Price Submission Form and Summary of Proposal Cost Form revised only to reflect the Proponent’s changes to its Credit Spreads;
 - (C) a written explanation and, where applicable, calculations from the Proponent demonstrating:
 - (I) why the upward or downward movement in the Indicative Credit Spread Benchmarks from the Financial Submission Deadline to the First Credit Spread Lock-in Date is sufficient to require a change to the Credit Spreads; and

- (II) that the change to the Credit Spreads is consistent with the movement of the Indicative Credit Spread Benchmarks of the Proponent from the Financial Submission Deadline to the First Credit Spread Lock-in Date.

For greater clarity, the written explanation shall be supported by facts, justifications and analysis of relevant factors such as new issue spreads, credit default swap spreads, and/or other publicly verifiable spread indices as applicable;

- (D) a written explanation and, where applicable, calculations prepared and executed by the Proponent's Lenders demonstrating:
 - (I) why the upward or downward movement in the Indicative Credit Spread Benchmarks from the Financial Submission Deadline to the First Credit Spread Lock-in Date is sufficient to require a change to the Credit Spreads; and
 - (II) that the change to the Credit Spreads is consistent with the movement of the Indicative Credit Spread Benchmarks of the Proponent from the Financial Submission Deadline to the First Credit Spread Lock-in Date.

For greater clarity, the written explanation shall be supported by facts, justifications and analysis of relevant factors such as new issue spreads, credit default swap spreads, and/or other publicly verifiable spread indices as applicable; and

- (E) written confirmation that the Proponent has not changed any variables in the Financial Model or made any revisions to the Financial Submission except for the Credit Spreads and any resulting changes from the re-optimization of the Financial Model to reflect the revised Credit Spreads; and
- (F) if applicable and exclusively as a result of a change of Credit Spreads, any revision in NPV calculation, total nominal project cost and a schedule of Annual Service Payments reflecting the financial effect of the Innovation Submission(s);
- (ii) if there has not been upward or downward movement in the Indicative Credit Spread Benchmarks sufficient to require a change to its Credit Spreads, on or before the First Credit Spread Lock-in Date, the Proponent shall not change its Credit Spreads and shall submit to the Sponsors:

- (A) a written explanation and, where applicable, calculations from the Proponent demonstrating:
- (I) why the movement, if any, in the Indicative Credit Spread Benchmarks from the Financial Submission Deadline to the First Credit Spread Lock-in Date is not sufficient to require a change to the Credit Spreads; and
 - (II) that maintaining the Credit Spreads as submitted on the Financial Submission Deadline is consistent with the movement, if any, in the Indicative Credit Spread Benchmarks of the Proponent from the Financial Submission Deadline to the First Credit Spread Lock-in Date.

For greater clarity, the written explanation shall be supported by facts, justifications and analysis of relevant factors such as new issue spreads, credit default swap spreads, and/or other publicly verifiable spread indices as applicable; and

 - (II) that maintaining the Credit Spreads as submitted on the Financial Submission Deadline is consistent with the movement, if any, in the Indicative Credit Spread Benchmarks of the Proponent from the Financial Submission Deadline to the First Credit Spread Lock-in Date.

For greater clarity, the written explanation shall be supported by facts, justifications and analysis of relevant factors such as new issue spreads, credit default swap spreads, and/or other publicly verifiable spread indices, as applicable;

- (iii) as of the First Credit Spread Lock-in Date, but subject to RFP Sections 5.5(3) and 5.6(2), the revised or unchanged Credit Spreads, as applicable, and, if applicable, any re-optimization of its Financial Model and any revisions to its Financial Submission provided by the Proponent shall apply until the expiry of the Proposal Validity Period.

- (c) if a Proponent fails to confirm or submit a change to the Credit Spreads in accordance with RFP Section 5.5(2) on or before the First Credit Spread Lock-in Date, the Sponsors may:
- (i) deem that the Proponent has amended its Credit Spreads to be consistent with the movement of the Indicative Credit Spread Benchmarks of the Proponent from the Financial Submission Deadline to the First Credit Spread Lock-in Date and require the Proponent to submit the information set out in RFP Section 5.5(2)(b)(i), failing which the Sponsors may deem the Proposal materially non-compliant; and/or
 - (ii) deem that the Proponent has made no changes to its Credit Spreads subsequent to the Financial Submission Deadline and require the Proponent to submit the information set out in RFP Section 5.5(2)(b)(ii), failing which the Sponsors may deem the Proposal materially non-compliant; and/or
 - (iii) deem the Proposal materially non-compliant;
- (d) if, in the sole discretion of the Sponsors, the Proponent's amendment or confirmation of the Credit Spreads under RFP Section 5.5(2) is not consistent with the Indicative Credit Spread Benchmarks, the Sponsors may:

 - (ii) consider this inconsistency in the evaluation and scoring of the Proponent's Proposal; and/or
 - (iii) decline to select the Proponent as the Preferred Proponent;
- (e) on the First Credit Spread Lock-in Date, each Proponent that has confirmed or changed its Credit Spreads in respect of the Credit Spread Election Facilities in accordance with RFP Section 5.5(2) shall identify in writing to the Sponsors by way of an election that, if selected as the Preferred Proponent:
- (i) which, if any, Credit Spread Election Facilities it shall participate in respect of the Final Credit Spread Lock-in Date (the "**Final Credit Spread Election Facilities**"); and
 - (ii) which, if any, Credit Spread Election Facilities it shall hold Credit Spreads for from the First Credit Spread Lock-in Date to Financial Close.

(3) If the Preferred Proponent has provided notification pursuant to RFP Section 5.5(2)(e)(i), the Preferred Proponent shall, prior to Commercial Close and no later than the date established by the Sponsors as the final Credit Spread lock-in date in accordance with this RFP (the "**Final Credit Spread Lock-in Date**"), further confirm or change, in respect of the Final Credit Spread Election Facilities, the Credit Spreads in its Financial Submission, and as submitted pursuant to RFP Section 5.5(2) in accordance with the following process:

- (a) the Sponsors shall provide at least 1 Business Day prior written notice to the Preferred Proponent of the Sponsors' establishment of the Final Credit Spread Lock-in Date and provided the Sponsors may revoke their notice and issue a replacement notice in their sole discretion;
- (b) the Preferred Proponent shall, no later than the Final Credit Spread Lock-in Date, advise the Sponsors of either a confirmation or change to its Credit Spreads in accordance with the following:
- (i) if there has been upward or downward movement in the Indicative Credit Spread Benchmarks sufficient to require a change to its Credit Spreads on or before the Final Credit Spread Lock-in Date, the Preferred Proponent shall change its Credit Spreads by submitting to the Sponsors:
- (A) an updated Financial Model that has been,
- (I) revised only to reflect the Preferred Proponent's changes to its Credit Spreads; and
- (II) optimized in accordance with the procedure outlined in the Financial Submission Requirements found in Section 6 of Section B of Part 2 of Schedule 3 to this RFP.
- For greater clarity, no changes shall be made to the Financial Model other than to change the Credit Spreads and any resulting changes from the re-optimization of the Financial Model to reflect the revised Credit Spreads;
- (B) an amended Price Submission Form and Summary of Proposal Cost Form revised only to reflect the Preferred Proponent's changes to its Credit Spreads;
- (C) a written explanation and, where applicable, calculations from the Preferred Proponent demonstrating:
- (I) why the upward or downward movement in the Indicative Credit Spread Benchmarks from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date is sufficient to require a change to the Credit Spreads; and
- (II) that the change to the Credit Spreads is consistent with the movement of the Indicative Credit Spread Benchmarks of the Preferred Proponent from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date.

For greater clarity, the written explanation shall be supported by facts, justifications and analysis of relevant factors such as new

issue spreads, credit default swap spreads, and/or other publicly verifiable spread indices as applicable;

- (D) a written explanation and, where applicable, calculations prepared and executed by the Preferred Proponent's Lenders demonstrating:
 - (I) why the upward or downward movement in the Indicative Credit Spread Benchmarks from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date is sufficient to require a change to the Credit Spreads; and
 - (II) that the change to the Credit Spreads is consistent with the movement of the Indicative Credit Spread Benchmarks of the Preferred Proponent from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date.

For greater clarity, the written explanation shall be supported by facts, justifications and analysis of relevant factors such as new issue spreads, credit default swap spreads, and/or other publicly verifiable spread indices as applicable;

- (E) written confirmation that the Preferred Proponent has not changed any variables in the Financial Model or made any revisions to the Financial Submission except for the Credit Spreads and any resulting changes from the re-optimization of the Financial Model to reflect the revised Credit Spreads; and
 - (F) if applicable and exclusively as a result of a change of Credit Spreads, any revision in NPV calculation, total nominal project cost and a schedule of Annual Service Payments reflecting the financial effect of the Innovation Submission(s);
- (ii) if there has not been upward or downward movement in the Indicative Credit Spread Benchmarks sufficient to require a change to its Credit Spreads, on or before the Final Credit Spread Lock-in Date, the Preferred Proponent shall not change its Credit Spreads and shall submit to the Sponsors:
 - (A) a written explanation and, where applicable, calculations from the Preferred Proponent demonstrating:
 - (I) why the movement, if any, in the Indicative Credit Spread Benchmarks from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date is not sufficient to require a change to the Credit Spreads; and

- (II) that maintaining the Credit Spreads as submitted on the First Credit Spread Lock-in Date is consistent with the movement, if any, in the Indicative Credit Spread Benchmarks of the Preferred Proponent from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date.

For greater clarity, the written explanation shall be supported by facts, justifications and analysis of relevant factors such as new issue spreads, credit default swap spreads, and/or other publicly verifiable spread indices as applicable; and

- (B) a written explanation and, where applicable, calculations prepared and executed by the Preferred Proponent's Lenders demonstrating:
 - (I) why the movement, if any, in the Indicative Credit Spread Benchmarks from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date is not sufficient to require a change to the Credit Spreads; and
 - (II) that maintaining the Credit Spreads as submitted on the First Credit Spread Lock-in Date is consistent with the movement, if any, in the Indicative Credit Spread Benchmarks of the Preferred Proponent from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date.

For greater clarity, the written explanation shall be supported by facts, justifications and analysis of relevant factors such as new issue spreads, credit default swap spreads, and/or other publicly verifiable spread indices, as applicable; and

- (iii) as of the Final Credit Spread Lock-in Date, but subject to RFP Section 5.6(2), the revised or unchanged Credit Spreads, as applicable, and, if applicable, any re-optimization of its Financial Model and any revisions to its Financial Submission provided by the Preferred Proponent shall apply until Financial Close; and

- (c) if the Preferred Proponent fails to confirm or submit a change to the Credit Spreads in accordance with RFP Section 5.5(3) on or before the Final Credit Spread Lock-in Date, the Sponsors may:
 - (i) deem that the Preferred Proponent has amended its Credit Spreads:
 - (A) consistent with the movement of the Indicative Credit Spread Benchmarks of the Preferred Proponent from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date; and/or

- (B) in the case of bonds, to reflect the Clearing Spread set out in RFP Section 5.5(4),

and require the Proponent to submit the information set out in RFP Section 5.5(3)(b)(i) and/or RFP Section 5.5(4); and/or

- (ii) deem that the Preferred Proponent has made no changes to its Credit Spreads subsequent to the First Credit Spread Lock-in Date and require the Preferred Proponent to submit the explanations set out in RFP Section 5.5(3)(b)(ii).

(3.1) Each Proponent that has provided notification under RFP Section 5.5(1)(b)(ii) or RFP Section 5.5(1)(b)(i) that it intends to provide, respectively, Held Pricing Facilities or Credit Spread Election Facilities may, on the First Credit Spread Lock-in Date only, as applicable (i) reduce the Credit Spreads set out in the Proponent's Financial Submission relating to the Held Pricing Facilities (or any of them), or (ii) redesignate the Credit Spread Election Facilities (or any of them) as Held Pricing Facilities conditional upon the redesignation resulting in a reduction of the Credit Spreads applicable thereto from those set out in the Proponent's Financial Submission, and, in each case, shall submit to the Sponsors on the First Credit Spread Lock-in Date:

- (a) the decreased Credit Spreads for each of the affected Held Pricing Facilities or Credit Spread Election Facilities and an unconditional confirmation that the decreased Credit Spreads will remain in effect for the balance of the Proposal Validity Period with respect to the affected Held Pricing Facilities or Credit Spread Election Facilities;
- (b) an updated Financial Model that has been,
- (i) revised only to reflect the Proponent's decreases to its Credit Spreads; and
- (ii) optimized in accordance with the procedure outlined in the Financial Submission Requirements found in Section 6 of Section B of Part 2 of Schedule 3 to this RFP.

For greater clarity, no changes shall be made to the Financial Model other than to decrease the Credit Spreads and any resulting changes from the re-optimization of the Financial Model to reflect the decreased Credit Spreads;

- (c) an amended Price Submission Form and Summary of Proposal Cost Form revised only to reflect the Proponent's decrease(s) to its Credit Spreads;
- (d) written confirmation that the Proponent has not changed any variables in the Financial Model or made any revisions to the Financial Submission except for the decrease(s) to the Credit Spreads and any resulting changes from the re-optimization of the Financial Model to reflect the decreased Credit Spreads; and

- (e) if applicable and exclusively as a result of the decrease(s) to the Credit Spreads, any revision in NPV calculation, total nominal project cost and a schedule of Annual Service Payments reflecting the financial effect of the Innovation Submission(s).

(3.2) The Sponsors will evaluate the reasonableness of the Credit Spreads for the Credit Spread Election Facilities submitted by the Proponent and as priced in the Proponent's Financial Submission. If the Sponsors, acting in their sole discretion, do not find such Credit Spreads to be reasonable, the Sponsors may

- (a) either at the First Credit Spread Lock-in Date or at the Final Credit Spread Lock-in Date, as the case may be, deem that the Proponent has amended such Credit Spreads to be consistent with the movement of the Indicative Credit Spread Benchmarks of the Proponent from the Financial Submission Deadline to the First Credit Spread Lock-In Date and/or from the First Credit Spread Lock-in Date to the Final Credit Spread Lock-in Date; provided, that, if the Sponsors exercise their rights under this Section 5.5(3.2)(a), any deemed amendments to the Credit Spreads shall be equal to the change in the Indicative Credit Spread Benchmarks over the applicable period of time; or
- (b) no later than the identification of Preferred Proponent, deem the Proposal materially non-compliant.

(4) The Preferred Proponent and Lenders (including but not limited to underwriters, mandated lead arrangers and arrangers) acknowledge and agree that if, on the Final Credit Spread Lock-In Date:

- (a) the Clearing Spread for the bonds payable by the Preferred Proponent is less than the Credit Spread derived using Indicative Credit Spread Benchmarks, the full benefit of such lower Clearing Spread will be passed through to Infrastructure Ontario. This Clearing Spread will be reflected in the reduction of the Annual Service Payment payable by Infrastructure Ontario as set out in the Financial Model submitted by the Preferred Proponent prior to Financial Close using the optimization procedure set out in the RFP Schedule 3 Part 2 Part B Section 6.0;
- (b) the Clearing Spread for the bonds payable by the Preferred Proponent is higher than the Credit Spread derived using the Indicative Credit Spread Benchmarks, then the Lenders will be required to provide to Infrastructure Ontario an explanation for such variance between the Clearing Spread and the Credit Spread derived using the Indicative Credit Spread Benchmarks described in this RFP Section 5.5, supported by facts, justifications and analysis of relevant factors. Only if such explanation is accepted by Infrastructure Ontario, acting in its sole discretion, then such higher Credit Spread will be reflected in the Annual Service Payment payable by Infrastructure Ontario as set out in the Financial Model submitted by the Preferred Proponent prior to Financial Close using the optimization procedure set out in the RFP Schedule 3 Part 2 Part B Section 6.0. If such explanation is not accepted by Infrastructure Ontario, acting in its sole discretion, Infrastructure Ontario may exercise its rights set out in RFP Section 5.5(6) without limiting any other rights under this RFP;

- (c) to provide complete transparency, between the time of selection of the Preferred Proponent and targeted Financial Close, the Preferred Proponent and the Lenders will provide periodic updates to the satisfaction of Infrastructure Ontario in respect of (i) the expected Clearing Spread for the bonds using the Indicative Credit Spread Benchmarks process pursuant to this RFP and (ii) any variances between the expected Clearing Spread for the bonds and the Credit Spread derived using the Indicative Credit Spread Benchmarks process pursuant to this RFP.

(5) In a written notice given to the Preferred Proponent the Sponsors shall prescribe the date (provided the Sponsors may give a further notice of a revised date in their sole discretion) on which the Preferred Proponent shall submit to the Sponsors a letter, the form and substance of which shall be satisfactory to the Sponsors, acting reasonably, on the letterhead of its Lenders and executed by the Lenders (the “**Lenders Commitment Letter**”) addressed to the Preferred Proponent confirming,

- (a) the Lenders unconditional funding commitment to provide the financing described in the Financial Submission including as revised under RFP Sections 5.5(2), 5.5(3), 5.5(3.1) or 5.5(4) and including, for clarity, a confirmation that the funding commitment does not contain material adverse change, market flex or any other similar conditions, or if such conditions were originally applicable that the Lenders have now waived such conditions; and
- (b) that the Lenders accept the Project Agreement without any material change.

Prior to the issuance of the Lenders Commitment Letter, and no later than either the Final Credit Spread Lock-in Date, if applicable, or 5 Business Days prior to the due date of the Lenders Commitment Letter as prescribed by the Sponsors pursuant to this RFP Section 5.5(5), the Preferred Proponent shall submit a draft thereof (the “**Draft Lenders Commitment Letter**”) to the Sponsors for review and comment by the Sponsors.

(6) If (i) in respect of the Final Credit Spread Election Facilities, the amendment or confirmation of the Credit Spreads under RFP Section 5.5(3) are not consistent with the Indicative Credit Spread Benchmarks of the Preferred Proponent, in the sole discretion of the Sponsors, or (ii) in respect of the Final Credit Spread Election Facilities, the written explanations justifying the amendment or confirmation of the Credit Spreads under RFP Section 5.5(3) are not, in the sole discretion of the Sponsors, acceptable to the Sponsors, or (iii) any other of the requirements respecting the amendment or confirmation of the Credit Spreads under RFP Section 5.5(3) have not, in the sole discretion of the Sponsors, been satisfied or complied with, or (iv) the Preferred Proponent’s Lenders have not provided a Lenders Commitment Letter which, in the Sponsors’ sole discretion, satisfies the requirements of RFP Section 5.5(5), then:

- (a) The Sponsors shall, no later than 7 Business Days after the Final Credit Spread Lock-In Date or the date of receipt by the Sponsors of the Lenders Commitment Letter, give written notice to the Preferred Proponent setting out the manner in which any of the foregoing requirements of RFP Sections 5.5(3), 5.5(4) or 5.5(5) have not been satisfied or complied with (the “**Rectification Notice**”). The Preferred Proponent shall have 7 Business Days following the date of the Rectification Notice to rectify the failure to satisfy the requirements as set out in the Rectification Notice (for greater certainty, including the resubmission of an

updated Financial Model that provides for revised Credit Spreads that are consistent with the changes to the Indicative Credit Spread Benchmarks of the Preferred Proponent or the resubmission of the Lenders Commitment Letter) by submitting to the Sponsors a response to the Rectification Notice (the “**Rectification Notice Response**”).

- (b) If the Sponsors, in their sole discretion: (A) are not satisfied with the Rectification Notice Response or with the Draft Lenders Commitment Letter; and/or (B) determine that the NPV of the Preferred Proponent’s Financial Submission as revised by RFP Section 5.5(3) exceeds the budget for the Project; and/or (C) determine that the NPV of the Preferred Proponent’s Financial Submission as revised by RFP Section 5.5(3) changes the overall rank of the Preferred Proponent relative to the other Proponents, the Sponsors may, in their sole discretion and without limitation to any other right under this RFP:
- (i) Request the Second Negotiations Proponent (as referred to in RFP Section 8.1(1)(b)) to confirm or change its Credit Spreads in accordance with RFP Section 5.5(3), and at the same time request the Preferred Proponent to again confirm or change its Credit Spreads in accordance with RFP Section 5.5(3), and based on the results thereof, re-run the evaluation process to determine which of the Preferred Proponent or the Second Negotiations Proponent is then the highest ranked Proponent. If the Second Negotiations Proponent is then the highest ranked Proponent then the Second Negotiations Proponent shall then become the Preferred Proponent in place of the first selected Preferred Proponent for all purposes of this RFP;
 - (ii) Commence negotiations with the Second Negotiations Proponent in accordance with RFP Section 8 - including requesting the Second Negotiations Proponent to confirm or change its Credit Spreads in accordance with RFP Section 5.5(3). If the Second Negotiations Proponent is then the highest ranked Proponent then the Second Negotiations Proponent shall then become the Preferred Proponent in place of the first selected Preferred Proponent for all purposes of this RFP;
 - (iii) Direct the Preferred Proponent to terminate its relationship with its Lenders, and the Sponsors shall conduct, in conjunction with the Preferred Proponent, a competition amongst prospective lenders to become Lenders to the Preferred Proponent following which the Preferred Proponent shall resubmit its Financial Submission to incorporate the financial terms and conditions of the Lenders that are successful in the competition. Based thereon, the Sponsors may, in their sole discretion, continue with the Preferred Proponent in accordance with the provisions of this RFP;
 - (iv) Commence separate and distinct but contemporaneous negotiations with the Second Negotiations Proponent and the Preferred Proponent. If the Second Negotiations Proponent is then the highest ranked Proponent

then the Second Negotiations Proponent shall then become the Preferred Proponent in place of the first selected Preferred Proponent for all purposes of this RFP; or

- (v) Request the Second Negotiations Proponent and the Preferred Proponent to resubmit their respective Proposals for evaluation under and in accordance with this RFP, and for such purpose shall establish a new Technical Submission Deadline and Financial Submission Deadline.

The Sponsors may, in their sole discretion and for greater clarity, elect to change which of the RFP Section 5.5(6)(b) processes to employ at any time during the application of RFP Section 5.5(6)(b). In the event that the Sponsors have determined to proceed under any of RFP Sections 5.5(6)(b)(i), (ii) or (iv), then the provisions of RFP Sections 8.1(2), 8.1(3) and 8.1(4) shall apply to such processes. Without limitation to the foregoing, and in their sole discretion, the Sponsors may, if they are not satisfied with the Rectification Notice Response or the Lenders Commitment Letter, at any time notify the Preferred Proponent in a written notice (the “**Termination Notice**”) that the Preferred Proponent is disqualified and is no longer entitled to participate in the RFP Process. In such latter circumstance, the Sponsors may consider the performance of the Preferred Proponent and the Proponent Team Members of the Preferred Proponent and the fact of the giving of the Termination Notice to the Preferred Proponent in any future requests for qualifications issued by the Sponsors.

- (c) The Sponsors may, in their sole discretion, exercise any of their rights under RFP Section 5.5(6)(b)(i) to (v) in the event that the Sponsors determine, in their sole discretion, that the Lenders have made any change to the Draft Lenders Commitment Letter in the Lenders Commitment Letter.
- (d) In the sole discretion of the Sponsors, the Letter of Credit provided by the Preferred Proponent in accordance with RFP Section 9.1(2) may be returned to the Preferred Proponent within 3 days of delivery by the Sponsors of the Termination Notice and/or such Preferred Proponent may be paid the amount, if any, of the Design and Bid Fee or the Break Fee under RFP Sections 10.3.2 and 10.3.3. The return of the Letter of Credit and/or the payment of the Design and Bid Fee or the Break Fee to such Preferred Proponent shall represent full and final satisfaction of any obligation or liability of the Sponsors and the Government of Ontario to the Preferred Proponent and the Proponent Team Members of the Preferred Proponent in connection with this RFP, and the Sponsors’ decision to return the Letter of Credit and/or pay the Design and Bid Fee and the Break Fee shall be contingent on the receipt of a waiver, in form and substance satisfactory to the Sponsors, from such Preferred Proponent and the Proponent Team Members of the Preferred Proponent to that effect.

(7) The Sponsors reserve the right to request and/or approve a change in the financing plan or debt strategy of the Preferred Proponent (for example, fixed or variable rate, the use of synthetics, bank debt or capital market debt) following identification of the Preferred Proponent under RFP Section 8.1 and prior to Financial Close.

5.6 Extension of Proposal Validity Period

(1) If the Sponsors wish to extend the Proposal Validity Period, the Sponsors shall submit a request to extend to those Proponents whose Proposals, in the Sponsors' sole discretion, are still under consideration in the RFP Process. For the purpose of greater clarity, the Sponsors may issue a request to extend the Proposal Validity Period after the Negotiations Proponents or the Preferred Proponent have already been identified. A Proponent may, in its discretion, refuse to extend the Proposal Validity Period in accordance with the following:

- (a) notwithstanding a Proponent's refusal to extend the Proposal Validity Period, that Proponent's Proposal shall continue to be valid in accordance with the original Proposal Validity Period; and
- (b) if the Sponsors determine that they will be unable to determine the Preferred Proponent or reach Commercial Close prior to the expiration of the original Proposal Validity Period, the Sponsors may discontinue the evaluation or consideration of a Proponent or may discontinue negotiations with a Negotiations Proponent or finalization of a Project Agreement with a Preferred Proponent if that Proponent has refused the Sponsors' request to extend the Proposal Validity Period and may continue the RFP Process with only those Proponents that have agreed to an extension of the Proposal Validity Period.

(2) In respect of the Preferred Proponent, the Sponsors shall be considered to have accepted the Preferred Proponent's Proposal, including its Financial Submission and its revised Credit Spreads pursuant to RFP Section 5.5 prior to the expiration of the Proposal Validity Period if the Signing Parties and the Preferred Proponent reach Commercial Close prior to the expiration of the Proposal Validity Period (or the extended Proposal Validity Period, if applicable). For greater clarity, the Preferred Proponent shall maintain its prices as set out in its Price Submission Form (as submitted on the Financial Submission Deadline or, if applicable, as amended pursuant to RFP Section 5.5 or during any negotiations process pursuant to RFP Section 5.5(5) or RFP Section 8.1) from Commercial Close until Financial Close, subject only to certain allowable adjustments to the Benchmark Rate(s) on Financial Close as described in Part 2 of Schedule 3 of this RFP.

(3) Notwithstanding RFP Section 5.6(1), if, during the course of negotiations between a Negotiations Proponent and the Sponsors, the Negotiations Proponent resubmits prices to the Sponsors or agrees to revised terms and conditions of the Project Agreement or the Negotiations Proponent's Proposal prior to the expiration of the Proposal Validity Period, that Negotiations Proponent is deemed to have agreed to an extension of the Proposal Validity Period for the Negotiations Proponent's amended Proposal for a period of 95 days after the date of the Proponent's submission to the Sponsors of the revised prices or revised terms and conditions, as applicable. For clarity, notwithstanding the submission by a Negotiations Proponent or Preferred Proponent of an amended Proposal in accordance with this RFP Section 5.6(3), the Proponent's original Proposal, as amended by the application or by RFP Section 5.5, as applicable, continues to exist in accordance with the original Proposal Validity Period.

(4) Notwithstanding RFP Sections 5.5 or 5.6(1), 5.6(2) or 5.6(3), the adjustments on Financial Close that are set out in Schedule 3, Part 2 to this RFP shall remain applicable.

5.7 Lender Requirements

(1) At any time in the RFP Process, Proponents shall not enter into exclusivity arrangements with any Lenders, including prospective Lenders. The Proponent or the Proponent's financial advisor will be required to confirm in its letter to be delivered under Section 1.2 of Section E of Part 2 of Schedule 3 of this RFP that the Lenders have not entered into any exclusivity arrangement with the Proponent with respect to the Project. Notwithstanding any other provision of this RFP, but subject to the following proviso, the Lenders may act in the capacity of Lenders for more than one Proponent under this RFP Process provided the Lenders have agreed with each Proponent:

- (a) to establish industry standard confidentiality and conflict of interest screens to ensure that each Proponent is represented by a discrete team of Lender personnel;
- (b) to prohibit any communication regarding this RFP Process between members of different teams of Lender personnel;
- (c) to physically separate all documentation under the control of each team of Lender personnel;
- (d) to keep all computer based information and data discrete and control access to prohibit persons other than on a team of Lender personnel to have access to that Proponent team's information; and
- (e) that any breaches of such confidentiality requirements are appropriately sanctioned including possible dismissal.

(2) Lenders participating in a Proposal ("**Participating Lenders**") shall not be Affiliates of any of the Proponent Team Members participating in that Proposal ("**Participating Proponent Team Members**") (other than any other Participating Lender or a financial advisor wholly owned by a Participating Lender) and shall act at all times at arm's length to every other Participating Proponent Team Member (other than any other Participating Lender or a financial advisor wholly owned by a Participating Lender)

SECTION 6 - EVALUATION, CLARIFICATION AND VERIFICATION OF PROPOSALS

6.1 Evaluation Committee and Advisors

(1) The Sponsors will establish an evaluation committee (the "Evaluation Committee") for the purpose of evaluating Proposals in accordance with the RFP Documents. The Sponsors, in their sole discretion, will determine the size, structure and composition of the Evaluation Committee and any sub-committees of the Evaluation Committee. The Evaluation Committee may be assisted by and receive advice from any of the Sponsors' Advisors, and any other employees or representatives of the Sponsors in any manner determined necessary or desirable by the Sponsors.

(2) If a member of the Evaluation Committee or, if applicable, an evaluation sub-committee becomes unable to continue serving on the Evaluation Committee or evaluation sub-committee before the completion of a step in the evaluation process, the evaluation comments and scores of that individual, in respect of the uncompleted steps in the evaluation process only, shall be ignored. For clarity, if an Evaluation Committee or sub-committee member becomes unable to continue serving on the Evaluation Committee or a sub-committee after the full completion of a step in the evaluation process, the results of the completed steps of the evaluation process are unaffected and remain valid. Whether or not an

Evaluation Committee or sub-committee member, in these circumstances, is replaced in the sole discretion of the Sponsors.

6.2 Sponsors' Clarification and Verification of Proposals

(1) The Sponsors may:

- (a) require the Proponent to clarify or verify the contents of its Proposal or any statement made by the Proponent;
- (b) require the Proponent to submit supplementary documentation clarifying or verifying any matters contained in its Proposal; and
- (c) seek a Proponent's acknowledgement of a Sponsors' interpretation of the Proposal or any part of the Proposal.

(2) The Sponsors are not obliged to seek clarification or verification of any aspect of a Proposal or any statement by a Proponent, including an ambiguity in a Proposal or in a statement made by a Proponent.

(3) Any written information received by the Sponsors from a Proponent pursuant to a request for clarification or verification from the Sponsors as part of the RFP Process may, in the Sponsors' sole discretion, be considered as an integral part of the applicable Proposal.

6.3 Steps in the Evaluation Process

6.3.1 Step 1 – Compliance of Proposals

(1) In Step 1, the Sponsors will open each Proposal and will review the contents of the Proposal to assess whether it is in compliance with the terms and conditions of the RFP Documents, including whether all documents required to be submitted have been appropriately submitted.

(2) If, in the sole discretion of the Sponsors, a Proposal does not comply with the requirements set out in the RFP Documents, the Sponsors may, in their sole discretion, without liability, cost or penalty, eliminate the Proposal and the Proposal shall not be given any further consideration.

- (c) constitutes an attempt by the Proponent to revise the Sponsors' or the Proponent's rights or obligations under the RFP Documents in a way not permitted by this RFP.

(4) A requirement in this RFP or in the Schedules to this RFP that a Proponent "must" or "shall" do anything is not intended to supersede this RFP Section 6.3.1 or, for greater clarity, to supersede the concepts of "comply", "compliance" or "material deviation" set out in this RFP Section 6.3.1.

(5) A Proponent's submission of a complete but poor quality Proposal shall not be considered a failure to comply but may affect the Proponent's evaluated score.

(6) If, during Step 1 of the evaluation process or at any time during the RFP Process, the Sponsors determine that a Proposal is non-compliant pursuant to this RFP Section 6.3.1, the Sponsors may, in their sole discretion and without liability, cost or penalty, declare the Proposal to be non-compliant and the Proposal shall not be given any further consideration.

(7) For the purpose of clarity, each Proponent acknowledges and agrees that the Sponsors' evaluation of compliance with the RFP Documents is not an evaluation of absolute compliance and that the Sponsors may waive failures to comply that, in the Sponsors' sole discretion, do not constitute a material deviation in accordance with this RFP Section 6.3.1. For clarity, the Sponsors may also waive a material deviation under RFP Section 10.2(3).

6.3.2 Step 2 – Review of the Proposal Submission Form (Technical)

- (1) In Step 2, the Sponsors shall review the Proposal Submission Form (Technical) to:

6.3.6 Step 6 – Establishing a Final Proposal Score

(1) For the purpose of the evaluation process, the weightings and scoring set out in Schedule 3, Part 4 to this RFP will apply.

(2) The score established based on RFP Section 6.3.6(1) shall be the “Final Proposal Score”.

6.3.7 Step 7 – Ranking the Proponents

(1) In Step 7, the Evaluation Committee shall rank only those Proponents that have met all requirements in Steps 1 through 6 and shall base the ranking on the Final Proposal Score.

(2) In the event of a tie in the Final Proposal Score between two Proponents the Sponsors may, in their sole discretion, give the higher ranking to the Proponent proposing the lower NPV in its Proposal.

SECTION 7 - GENERAL EVALUATION AND DISQUALIFICATION PROVISIONS

(1) Except as provided in RFP Sections 10.3.2 and 10.3.3, neither the Sponsors nor the Government of Ontario shall be liable for any expense, cost, loss or damage incurred or suffered by any Proponent, any Proponent Team Member, any Proponent Advisor or any person connected with any one of them, as a result of any action taken by the Sponsors in accordance with RFP Sections 10.1 or 10.2.

10.3.2 Design and Bid Fee

(1) If the Sponsors specify in the RFP Data Sheet that they offer a Design and Bid Fee for this Project, such Design and Bid Fee plus any applicable HST, shall be paid to each Proponent other than the Proponent that achieves Commercial Close under the Project Agreement to this RFP, subject to the following conditions:

- (a) a Proponent must submit a full and proper Proposal for that Proponent to be eligible for the Design and Bid Fee, provided that the Sponsors shall determine whether a Proposal is full and proper based on factors that include whether the Proposal is compliant with this RFP (as determined in accordance with RFP Section 6.3.1) and whether the Proposal received a Final Proposal Score with respect to its Technical Submission of at least 50%;
- (b) a Proponent must not withdraw from this RFP Process after the Technical Submission Deadline in contravention of this RFP;
- (c) if Infrastructure Ontario draws upon a Proponent's Letter of Credit in accordance with this RFP or the Proponent's Standby Letter of Credit in accordance with the Project Agreement, then such Proponent will not be eligible for the Design and Bid Fee;
- (d) Financial Close must be achieved with a Proponent under the Project Agreement to this RFP, provided that in the event that Financial Close is not achieved with a Proponent under the Project Agreement because Infrastructure Ontario, as a result of a Severe Market Disruption,
 - (i) exercises its rights under Section 2.4(1)(b) of the Project Agreement (the "**Severe Market Disruption Event Date**"), and
 - (ii) concludes and reaches Financial Close under a new project agreement respecting the Project within 6 months after the Severe Market Disruption Event Date,

then this condition 10.3.2(1)(d) shall be satisfied.

For greater certainty, a Proponent shall not be eligible to receive both a Design and Bid Fee and the compensation contemplated under Section 2.4(1)(c) of the Project Agreement.

(3) Payment of a Design and Bid Fee shall represent full and final satisfaction of any obligation or liability of the Sponsors and the Government of Ontario to the Proponent and Proponent Team Members in connection with this RFP, and the Sponsors' obligation to pay the Design and Bid Fee shall be contingent on the receipt of a waiver, in form and substance satisfactory to the Sponsors, from the Proponent and Proponent Team Members to that effect.

10.3.3 Break Fee

(1) Subject to the Sponsors having obtained all necessary approvals, including approval from the Minister of Finance, if the Sponsors offer a Break Fee for this Project as set out in the RFP Data Sheet, such Break Fee plus any applicable HST, shall be paid in accordance with the following:

- (a) if the Project is cancelled prior to submission of Proposals:
 - (i) only a Proponent who has demonstrated, to the Sponsors' satisfaction, active participation in the RFP Process will be eligible to receive a Break Fee; and
 - (ii) the Sponsors may require a Proponent to substantiate its active participation in the RFP Process in order to receive a Break Fee; and
- (b) if the Project is cancelled after submission of Proposals or a Break Fee is payable for any other reason, a Break Fee will be paid to a Proponent that has submitted a full and proper Proposal.

The Sponsors shall determine whether a Proposal is full and proper based on factors that include whether the Proposal is compliant with this RFP (as determined in accordance with RFP Section 6.3.1) and whether the Proposal received a Final Proposal Score of at least 50%.

(2) The amount of the Break Fee payable to each eligible Proponent will depend on the point in the RFP Process that cancellation occurs, in accordance with the principles set out in the RFP Data Sheet. The base amount of the Break Fee (the "**Base Break Fee**") is set out in the RFP Data Sheet.

(3) Payment of a Break Fee shall represent full and final satisfaction of any obligation or liability of the Sponsors and the Government of Ontario to the Proponent and Proponent Team Members in connection with this RFP, and the Sponsors' obligation to pay the Break Fee shall be contingent on the receipt of a waiver, in form and substance satisfactory to the Sponsors, from the Proponent and Proponent Team Members to that effect.

(4) If the Project is cancelled or a Break Fee is payable for any other reason, a Proponent shall only be eligible to receive a Break Fee and the Proponent will not be eligible to receive a Design and Bid Fee as well. For greater certainty, a Proponent shall not be eligible to receive both a Break Fee and a Design and Bid Fee relating to the Proponent's participation in the RFP Process for this Project.

- (c) it shall not oppose the enforcement against it, in any other jurisdiction, of any judgement or order duly obtained from an Ontario court as contemplated by this RFP Section 10.4.

(3) Except as provided in RFP Sections 10.3.2 and 10.3.3, the Proponent agrees that if the Sponsors or the Sponsors' Advisors commit a material breach of their obligations under or in connection with this RFP (that is, a material breach of the bidding contract or Contract A), the Sponsors' liability to the Proponent and the aggregate amount of damages recoverable against the Sponsors for any matter relating to or arising from that material breach, whether based upon an action or claim in contract, warranty, equity, negligence, intended conduct or otherwise, including any action or claim arising from the acts or omissions, negligent or otherwise, of the Sponsors, shall be the lesser of,

- (a) the Proposal preparation costs that the Proponent seeking damages from the Sponsors can demonstrate; and
- (b) \$500,000 or the Break Fee, if applicable, or the Design and Bid Fee, if applicable, whichever is greater.

10.5 Licenses, Permits, etc.

(1) If a Proponent is required by Applicable Law to hold or obtain a licence, permit, consent or authorization to carry on an activity contemplated in its Proposal or in the Project Agreement, neither acceptance of the Proposal nor execution of the Project Agreement by the Sponsors shall be considered to be approval by the Sponsors of carrying on such activity without the requisite licence, permit, consent or authorization.

10.6 Power of Legislative Assembly

(1) Proponents are advised that no provision of the RFP Documents (including a provision stating the intention of the Sponsors) is intended to operate, nor shall any such provision have the effect of operating, in any way, so as to interfere with or otherwise fetter the discretion of the Legislative Assembly of Ontario in the exercise of its legislative powers.

Notwithstanding such notification, the Proponents' Proposals shall be irrevocable until the expiration of the Proposal Validity Period (or extended Proposal Validity Period, if applicable) or Financial Close, in accordance with RFP Section 5.4.
