

NEW TORONTO COURTHOUSE CONSTRUCTION UPDATE

FALL 2018

PROJECT HIGHLIGHTS

- 17-storey high-rise courthouse, a first in Ontario, will amalgamate six Ontario Court of Justice criminal courthouse locations.
- 63 courtrooms including a multiple accused, high security courtroom and ten conference/settlement rooms.
- Barrier-free environment to allow visitors and occupants to travel throughout the building with ease.
- Improved security features are integrated throughout the design of the courthouse.
- A commitment to meet the Leadership in Energy and Environmental Design (LEED®) Silver standard, including a focus on energy efficiency and high-quality indoor environment.
- The project will feature the first Indigenous Learning Centre in an Ontario courthouse.
- Increased foot traffic for businesses in the area.
- The project will support hundreds of jobs, with up to 350 workers on site at peak periods of construction.
- Public realm improvements in coordination with the City of Toronto.

PROJECT STATUS

Start of Construction:

Fall 2018

Completion Date:

Spring 2022

What's Happening Next?

- Soil removal will take place from Fall 2018 until Spring 2019.
- New hoarding will be installed with refreshed artwork.

OPERATION DETAILS

Noise levels on the site will be minimized as much as possible out of consideration for our neighbours.

Construction equipment will only be operated during the times stated in the City Noise bylaw*:

- Monday to Friday 7:00a.m.-7:00p.m.
- Saturdays 9:00a.m.-7:00p.m.
- No construction noise on Sundays and statutory holidays.

In some extenuating circumstances, operation may be required outside these hours. Should this occur, special permission would be obtained from the city.

*(Chapter 591, City of Toronto Municipal Code)(amending bylaw 505-2006).

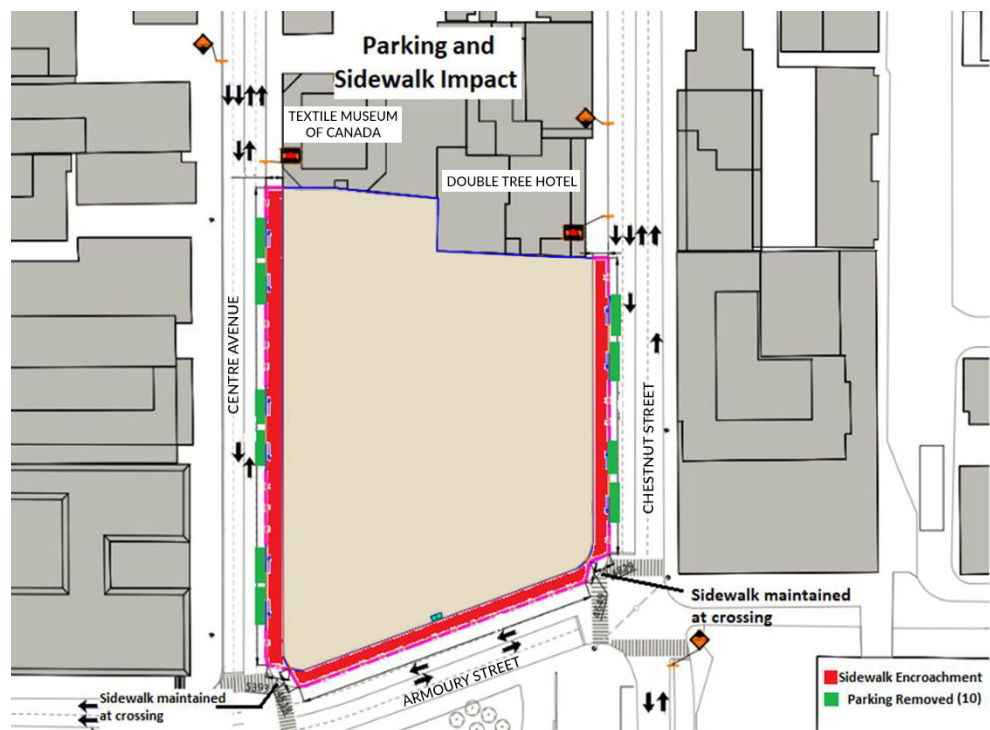

Parking & Sidewalk Impacts During Construction To Begin Late Fall

- 4 fewer parking spots on Chestnut St.
- 6 fewer parking spots on Centre Ave.
- All parking maintained on Armoury St.
- Sidewalk will be blocked off in an area adjacent to the construction site.

COMMUNITY SAFETY

The security and safety of workers and people who live and work in the neighbourhood around the New Toronto Courthouse is of the utmost importance to EllisDon, who will ensure that:

- Existing level of street lighting will be maintained or improved.
- Site will be under 24/7 surveillance.
- Dedicated signal personnel will divert construction traffic.
- The community will be notified in advance of any major construction events taking place.
